

The right of Israeli civilians to return home safely

written by Ruth Wasserman Lande | 30.09.2024

Ruth Wasserman Lande: First, the 60,000 to 70,000 Israeli civilians have the right to return to their homes and live without the fear of the Radwan forces, similar to the way Hamas operated in the south.

Surprisingly, the moment a sovereign and independent state like Israel—despite being a democracy—finally responded after exercising tremendous restraint for 11 months, the notion of a ceasefire suddenly emerged. It's truly astounding.

Palestinian President Abbas slams Israel, US during UN speech as critics decry his support for terrorism

written by Prof. Kobi Michael | 30.09.2024

Prof. Kobi Michael: The PA and Abbas duplicate all of the corruption, nepotism, and inefficiency of the Palestine Liberation Organization" that was created by Arafat. Abbas does not accept the basic right of the Jewish people to self-determination, and therefore he doesn't recognize the right of the state of Israel to be a nation state of the Jewish people in any borders.

He has not educated the young generation and has not educated PA officials for peace. On the contrary, Abbas has led and enabled the indoctrination toward hatred and toward delegitimization of the state of Israel.

We are not afraid of an all-out war

written by Prof. Kobi Michael | 30.09.2024

Prof. Kobi Michael: We need to show that we are not afraid of an all-out war. We will continue to fight Hezbollah and they must understand, as the Lebanese government and the international community, what the results of a multi-regional war could be.

I think that the only proposal that Israel should accept is full realization of UN security Council resolution 1701 and not stopping the fire. Otherwise we will find ourselves in a situation where the government will not be able to realize our sovereignty in the North and unabling to convince the residents to return to their homes..

Israel to 'accelerate attacks' as Lebanon death toll rises to 569

written by Prof. Kobi Michael | 30.09.2024

Prof. Kobi Michael: After 11 months of attritional war that Israel cannot tolerate any more, Israel signals that it would be better for Hezbollah to be serious around the negotiating table (with yesterday's strikes). If they will not be serious in this regard, then Israel will be much more serious.

This is only the beginning... and if the Hezbollah reactions will cross the Israeli red lines, then Israel will be in an all-out war with Hezbollah.
