

# **Israel's assassinations will not defeat Hamas and Hezbollah, but they are an effective tool for weakening them**

written by Brig. Gen. (res.) Yossi Kuperwasser | 02.08.2024

In the short term there now may be an escalation.

---

## **Rebels, drugs, refugees: How Syria plans to regain legitimacy**

written by Elie Klutstein | 02.08.2024

The very issues that Damascus is causing, particularly in the drug trade, are driving neighboring countries to try to draw it closer to them - allowing Syria it to act tough and set conditions.

---

## **Iranian subversion breeds joint Israeli-Jordanian struggle against Tehran**

written by Dr. Yossi Mansharof | 02.08.2024

Israel's actions against Iran, along with Amman to combat Iranian violations in Jordan, will make it clear to Tehran that it will bear the consequences for

promoting terrorism against Israel.

---

## **Erdoğan and the sins of Turkey**

written by Noa Lazimi | 02.08.2024

The Turkish president slams Israel for “occupation” which his country occupies and persecutes throughout the region.

---

## **Egypt's policy of dualism: Cooperating with Israel while spreading anti-Israel messages**

written by Ruth Wasserman Lande | 02.08.2024

On one hand, Egypt signed a peace agreement with Israel and strives to create trade routes and cooperation with the US, on the other, it feeds the Egyptian public especially anti-Israel messages.

---

## **Türkiye's actions destabilize the Middle East**

written by Noa Lazimi | 02.08.2024

They also significantly endanger Israeli national security.

---

# **Solving complex geopolitical environment in Middle East requires courage and creativity**

written by Ruth Wasserman Lande | 02.08.2024

Given the complexity of the current situation, its solution calls for great faith in our Creator, along with extraordinary creativity, courage, and original thought.

---

# **The US must support any Israeli counter-attack on Iran**

written by Asher Fredman | 02.08.2024

Steadfast American support for an Israeli operation against Iran and Hezbollah will send a clear message to the Islamic Republic and improve overall security in the region.

---

# **Iran's attack means Israel has an opening: Derailing its**

# nuclearization

written by Meir Ben Shabbat | 02.08.2024

It would be wise to keep Iranian nerves in tense anticipation, allowing the Iranian rial to continue plummeting and enabling internal criticism of the regime to intensify.

# Unity is more than just a naïve cliché, it's a matter of national security

written by Ruth Wasserman Lande | 02.08.2024

This is The Plan. All we have to do, is not cooperate with the plot and understand that unity is more than just a naïve cliché, but a matter of national security.
