

# **Don't say "no"**

written by Prof. Zaki Shalom | 19.02.2024

How Israel should address the initiative to establish a Palestinian State in the West Bank and Gaza Strip.

---

# **The evils of Al Jazeera**

written by David M. Weinberg | 19.02.2024

Israel must act swiftly to end the network's broadcasts from Israel and the territories.

---

# **Reflecting on Israel-Egypt relations**

written by Ruth Wasserman Lande | 19.02.2024

This strategic dialogue with Egypt must be institutionalized, with very senior representation on behalf of the Israeli government, accompanied with experts on Arab culture and language.

---

# **Time to target Hamas leadership**

# **around the world**

written by Meir Ben Shabbat | 19.02.2024

Israel and its allies must methodically eliminate Hamas commanders beyond Gaza so that the organization loses all regional influence.

---

## **An upbeat and believing younger generation**

written by David M. Weinberg | 19.02.2024

Israel's future is guaranteed by gutsy and patriotic teens, soldiers, and students.

---

## **Pessimism on Steroids**

written by Col. (res.) Prof. Gabi Siboni | 19.02.2024

The "Downer Movement" is depressing Israel with defeatism, while Israel's youth is energized with faith in the future.

---

## **Israel mustn't remain silent in face of Turkey's support of Hamas**

written by Noa Lazimi | 19.02.2024

Israel can no longer remain silent in the face of Turkey's extensive support of

Hamas and its central role in building the organization's financial empire.

---

## **Revolution of Consciousness: Sharing Israel's narrative with the Arab, Muslim worlds**

written by Ruth Wasserman Lande | 19.02.2024

The Muslim and Arab world is not exposed to almost any information that puts it at odds with the anti-Israeli messaging to which it is accustomed.

---

## **Restoring the Zionist Iron Wall**

written by David M. Weinberg | 19.02.2024

The bold proposals of General Gershon Hachon for national vision and renewed ideological-theological defense posture.

---

## **Washington must let Israel get the job done in Gaza**

written by Meir Ben Shabbat | 19.02.2024

Israel rejects proposals that leave Hamas in power, fail to demilitarize Gaza, and fail to pressure Hamas into releasing hostages.
