

# Abraham Accords and Gaza's Future

written by Asher Fredman | 29.05.2025

Asher Fredman: Israel deeply values its ties with its Abraham Accords partners. If and when Hamas is truly removed as the dominant force on the ground in Gaza both officially and de facto, these countries can play an important role in shaping the day after.

The interview took place on Al Arabiya on May 29, 2025.
