

Israel facing extremely difficult decisions in hostage deal with Hamas

written by Asher Fredman | 17.07.2024

Asher Fredman: Israel is facing extremely difficult dilemmas. We all want the hostages home as soon as possible, but there remain questions about the details of the proposed deal that are critical for Israel's future security. Hamas is under military pressure, but still has more than 10,000 armed fighters in its ranks. July 17. 2024.
