

Saudi Frustration and the New Gaza Strategy

written by Asher Fredman | 23.10.2025

Asher Fredman discusses the complex geopolitical situation involving Saudi Arabia, Gaza, and other regional actors. He asserts that the Saudis are unhappy with the Qatari role in Gaza, understand Hamas's true nature well, and want a new U.S.-led strategy to prevent Hamas from once again destabilizing the region.

The full interview took place on Channel I24, on October 23, 2025.
