Analysis: Probing the Be’eri Attack; Israelis Want More Answers

written by Brig. Gen. (res.) Yossi Kuperwasser | 15.07.2024

Brig. Gen. (res.) Yossi Kuperwasser: The report leaves many questions unanswered, a comprehensive understanding requires looking at the entire military operation in and outside Kibbutz Be’eri — before, during, and after the October 7 attack.

Col. (res.) Dr. Hanan Shai: The investigation is no more than a technical investigation. It is a crystal clear and bleak picture of what happened there. But from the report, you cannot understand how it happened, what mistakes were made—nothing on the strategic level.
