The Americans are always ready to help Israel in defense

written by Brig. Gen. (res.) Yossi Kuperwasser | 28.06.2024

Brig. Gen. (res.) Yossi Kuperwasser: The policy of aiding Israel in defense only is not new; the Americans are always ready to help Israel in defense.

At the same time, the United States has largely steered clear of offensive operations in the region.

I would not trivialize the assistance in defense. It’s important, but of course this leaves Israel the offensive dimension.
