

Iran Is Drawing Encouragement From Differences Coming Into View Between Israel and America

written by Dr. Yossi Mansharof | 29.05.2025

Dr. Yossi Mansharof: Israel is thinking long term, Trump thinks short term. Following the trauma of October 7 Israelis are more aware of the existential threat Iran represents. Meanwhile, I don't remember any time that Iran has been as vulnerable as it is now. I don't think Trump is using it well.
