I think that it is a very creative interpretation of President Biden

written by Prof. Kobi Michael | 04.06.2024

Prof. Kobi Michael: I think that there are some problems with this proposal although it is referred to Israel and it was introduced as a proposal of the Israeli government I think that it is a very creative interpretation of President Biden to the Israeli government framework.

The interview took place on ILTV on June 3, 2024.
