Can Israel defeat Hamas?

written by Prof. Kobi Michael | 20.06.2024

Prof. Kobi Michael said he was not convinced Hagari meant to directly disparage Israel's military strategy, but he said he could see how his comments would be taken that way.

He was trying to say the truth. But he said he believed Netanyahu understood that truth — and that Israel's goal was ultimately to prevent Hamas from being able to regroup and maintain power in Gaza.

The interview took place on NBC NEWS on June 20, 2024.
