

# **Gaza's Stabilization: Challenges and Risks**

written by Prof. Kobi Michael | 16.01.2026

Prof. Kobi Michael: Turkey is the only country which is willing, under the current circumstances, to send troops to the ISF (International Stabilization Force).

Nobody intends to fight Hamas, nobody intends to dismantle Hamas, and nobody intends to be perceived as a collaborator with Israel or with the Americans against the Palestinians. As long as Hamas exists as an organized military force, nothing good will come out of.

The full interview takes place on NewsX World on January 16, 2026.
