

IDF Achievements and the Iranian Nuclear Umbrella

written by Prof. Kobi Michael | 31.05.2026

Prof. Kobi Michael discusses the IDF's strategic military achievements in dismantling Hezbollah's infrastructure on the Alitah ridge, emphasizing that further weakening the group is necessary to allow the Lebanese government to exercise sovereignty.

He also warns that Iran seeks a nuclear bomb primarily as a strategic "umbrella" to provide them with immunity while they continue to destabilize and hegemonize the Middle East.
