As much we increase the friction with Hamas on the ground, we’ll be able to produce more intelligence

written by Prof. Kobi Michael | 08.06.2024

Prof. Kobi Michael: We have to remain stuck to our ways and to be determined in this regard; As much we increase the friction with Hamas on the ground, we’ll be able to produce more intelligence, more operational opportunities.

The interview took place on the I24 channel on June 8, 2024.
