

# Iran 'won't recover'

written by Prof. Kobi Michael | 01.03.2026

Prof. Kobi Michael: We are facing a biblical event — nothing less. Trump is the only one who can make the change — and that change will impact the entire region and the international order for years to come.

“We enter our shelter once the siren is heard and stay there until the Home Front Command announces that we can leave. Usually, it is about 20 to 30 minutes — unless there are further sirens during our stay. Since yesterday morning, it has happened around 30 times.
