

Israel's Strategic Constraints

written by Prof. Kobi Michael | 13.08.2026

Prof. Kobi Michael discusses Israel's acceptance of tactical constraints under a US-backed peace proposal, emphasizing that the IDF will not withdraw from its positions until Hamas is fully disarmed.

He also analyzes the proposed "Mecca joint defense agreement", arguing that Egypt has no real interest in joining this Turkish-led alliance and is legally restricted from doing so by its peace treaty with Israel.

The full interview took place on ILTV on August 13, 2026.
