

Strategic Challenges: Israel, Normalization, and the US Alliance

written by Prof. Kobi Michael | 16.11.2025

Prof. Kobi Michael addresses several critical strategic issues, primarily focusing on the consequences of seeking normalization and the challenges facing the US-Israel relationship.

He discusses the dynamics of normalization and the F-35 deal, arguing that “there are no free meals” and Israel must pay a political price for American backing, especially concerning the future path for a Palestinian state.

The full interview took place on ILTV, on November 16, 2025.
