Prof. Kobi Michael: We need to show that we are not afraid of an all-out war. We will continue to fight Hezbollah and they must understand, as the Lebanese government and the international community, what the results of a multi-regional war could be.

I think that the only proposal that Israel should accept is full realization of UN security Council resolution 1701 and not stopping the fire. Otherwise we will find ourselves in a situation where the government will not be able to realize our sovereignty in the North and unabling to convince the residents to return to their homes..

The interview took place on ILTV on September 26, 2024.
