

The Strategic Calculus of Mediation: Weakening the Iranian Regime and Hezbollah

written by Prof. Kobi Michael | 24.03.2026

Prof. Kobi Michael analyzes the strategic goals of mediating the war with Iran, specifically the removal of enriched uranium and the termination of proxy support, while expressing deep skepticism regarding the regime's cooperation

He emphasizes that the success of these efforts is vital for weakening Hezbollah and fostering a unique opportunity for normalization with a Lebanese government that now views the group as an enemy

The full interview took place on Chai FM on March 24, 2026.
