

Israel cares far more about civilians in Gaza, than Hamas

written by Arsen Ostrovsky | 07.12.2024

The real genocide occurred on Oct 7th in southern Israel, not in the IDF's response, which has gone above & beyond requirements of international law. In fact, Israel cares far more about civilians in Gaza, than Hamas. This makes the Amnesty International report all the more outrageous!

The interview took place on NEWSMAX TV on December 6, 2024.
