Former US National Security Advisor and Misgav International Council member, Robert O’Brien on Iran

written by Robert O’Brien | 13.04.2024

Former Amb. NSA O’Brien on ABC News: We need to make a strong statement in support of Israel, and start treating Hamas like we treated ISIS…With the Iranians, we should put together a coalition with Israel and other Western allies, and at a minimum take out their drone factories and their ballistic missiles factories that are raining terror down on people in Ukraine and now in Israel.
