Shared Battles: India and Israel Against Terror

written by Joseph Rozen | 08.05.2025

Joseph Rozen: India launched targeted airstrikes in response to a terror attack linked to the Pakistani army that killed 26 Indian citizens. The strikes avoided Pakistani military sites to send a de-escalation message. The video draws a parallel between India and Israel in their fight against terrorism and calls for Israeli support of India — just as India supported Israel during the war in Gaza.
