Dissecting the Haniyeh, Shukr assassinations and their impact

written by Col. (res.) Dr. Hanan Shai | 01.08.2024

Col. (res.) Dr. Hanan Shai: Such an operation is an expression of the political echelon in the Israeli army. Also, credit must be given to the political echelon who made the brave decision to approve the operation. Should it have failed, the blame would be put on Netanyahu and not on the army.
