Lebanon claims it is replacing Hezbollah in the south

written by Col. (res.) Dr. Hanan Shai | 19.04.2025
Col. (res.) Dr. Hanan Shai: Statements by Lebanese officials and the activities of the Lebanese army are unequivocally an achievement for Israel.

The weakness of the Lebanese army, the IDF cannot rely on it and must back it up with its own parallel defense— mainly through detailed intelligence monitoring and targeted thwarting of any violation not only in Southern Lebanon but also [deep] within it, including at sea and air ports.
