

The Geostrategic Chess Game

written by Ruth Wasserman Lande | 14.05.2026

Ruth Wasserman Lande describes a global geostrategy where the United States is securing key maritime passageways to counter China's influence while managing regional threats from the Iranian regime.

She also emphasizes the importance of U.S.-Israel coordination in "chipping away" at Iran's leadership and addressing the activities of its terrorist proxies, such as Hezbollah and Hamas.

The full interview aired on Fox News on May 14, 2026.
