Ruth Wasserman Lande: There is a significant concern that Hezbollah will use this time to rearm and escalate tensions once more. The central issue is how to prevent them from rearming, particularly through the smuggling of weapons by Iran, the Islamic Republic, which continues to be a key supporter of Hezbollah. The Prime Minister is likely to explain that the IDF needs to temporarily close one front in order to focus resources and efforts elsewhere—particularly on rescuing hostages and addressing the root causes of the conflict.

The interview took place on Fox News on November 26, 2024.
